## Become a Govan tenement detective!

Glasgow City Heritage Trust in partnership with Govan Cross THI invite you on an investigative walk around Govan's traditional tenements - hunting for common building issues and potential repairs.

Through an informal talk, interactive walk, and grown-up scavenger hunt for homeowners, tenants, and building managers, you will learn **what you're looking at**, and **how to fix it!**

**This event is free to attend, but booking is requested:**

## At this event you will:

- Learn how tenements are designed to work!
- Learn to identify common building problems and their often simple solutions!
- Become a defender of Govan's homes - your own, and your community's!
